## New Membership Information and Initial Application

The NCSP was founded in 1978 for the purpose of encouraging and promoting boating safety, including:

- Providing a shore-based and boat-based safety presence in cooperation with river management agencies, race organizers and other safety and rescue organizations.
- Providing rescue and recovery assistance upon request of, and in cooperation with, river management agencies and other safety and rescue organizations.

Most rescue patrols run on the Delaware River between Skinners Falls at Milanville, PA and Port Jervis, NY. Each member is obligated to provide a minimum of 4 full days of service on the river each season.

Interested in joining or have further questions? Please contact one of the officers listed earlier in this newsletter and plan on attending the first available training, usually the last *full* weekend in April. Please mail dues of \$30 per individual or \$60 per family with the registration information form below to:
